Dear Author,

Thank you very much for contacting us.

Please submit your paper as new paper in IJPR, and inform us to publish it directly.

Yours sincerely,
Editorial office

Dear Author,

Thank you very much for contacting us.

Please send us the final MS Word file of your paper to start republishing it in "International Journal of Physical Research".

Yours sincerely,
Editorial office

Subject: Could you transfer our article from JPC Journal of Psychology to International Journal of Physical Research?

Dear Madame, Dear Sir,

my co-worker and I, we have published the article "Neural oscillations .." in JPC Journal of Psychology, 2020.

It looks to me as if the journal no longer exists?

The article would make a good contribution in the International Journal of Physical Research, Section:
Statistical mechanics, thermodynamics and nonlinear systems

Therefore, I wonder if it would be possible to transfer the article?

Yours sincerely
Till Frank
